<b>Greater Water Alliance – Waukesha Water Project</b>	Location	Type of Work	Summary of Work
	<b>Waukesha Water Project</b>	Water Main and Return Pipeline Construction	The work on this contract consists of water main construction to carry water from Lake Michigan to the City of Waukesha.
			Comments
			<p><b><u>This is not a City of West Allis Project.</u> However, the supply pipeline will be going through West Allis. Lane closures are in place on Oklahoma Avenue between Hwy 100 and S. 124<sup>th</sup> Street. The informational flyer is located at:</b></p> <p><a href="https://www.westalliswi.gov/DocumentCenter/View/19524/Greater-Water-Alliance-Oklahoma-Avenue-Closure">https://www.westalliswi.gov/DocumentCenter/View/19524/Greater-Water-Alliance-Oklahoma-Avenue-Closure</a></p> <p>This closure is scheduled to last 16 weeks. Please contact <a href="mailto:info@greatwateralliance.com">info@greatwateralliance.com</a> or <b>1-262-409-4444</b> with questions about the Great Water Alliance Program, and a team member will get back to you.</p> <p>This project also will cause the intersection of W. Beloit Road and W. Oklahoma Avenue to be closed. Traffic control has been set up, with the full closure to continue the week of March 27th. This is scheduled to be a three-week closure.</p> <p>More information on this project can be found at:  <a href="http://greatwateralliance.com/">http://greatwateralliance.com/</a></p> <p>Questions regarding the contract can be answered here:  <a href="http://greatwateralliance.com/contact-us/">http://greatwateralliance.com/contact-us/</a></p>
